

# Cultural Fire Management Council

## Directions to Hee'Mehl / Cultural Fire Training Center

Directions coming from Pek Tah Gas Station, Weitchpec:

\*We strongly recommend filling up on gas here. There is no gas beyond this point.

- When leaving the Pek Tah Gas fuel mart in weitchpec, TURN LEFT on HWY 96

- After crossing the Weitchpec Bridge, immediately TURN LEFT onto HWY 169

- Continue on HWY 169 for ~12 miles. Beware of traffic and stay to your appropriate side of the road, despite the lack of painted road lines

- After ~12 miles on HWY 169, you will pass a bustop on the right, near mile marker 21.41

- Just after the Bus Stop, TURN RIGHT onto a dirt road. This starts the section depicted by the above map.

1- Once on the dirt road, after ~815ft TURN RIGHT uphill.

2- After ~700ft, TURN LEFT to continue uphill

3- After ~900ft, STAY LEFT thru open gate, and continue uphill for ~0.4 miles

4- After .4 miles, you will see a large solar panel array and the CFMC Training Center building uphill to the right. Please PARK HERE, if possible to maximize space for other vehicles while leaving the road open. If you have gear to drop off, continue to the RIGHT uphill thru the gate to the CFMC building.
